Dear colleagues and friends

It gives us great pleasure to announce
our National Annual Conference with the theme,
(Present Psychiatric Practice

Emerging Challenges and Future Prospects)

The conference will cover all psychiatric
specialties and related mental health issues.

We expect to have a great scientific gathering
attended by psychiatrists and mental health
professionals from home, the region and
all over the globe.

This conference will be organized in collaboration
with the World Psychiatric Association (WPA),
the Arab Federation of Psychiatrists, the African
Association of Psychiatrists and Allied Professions
(AAPAP) and other organizations.

We hope it will be a rememorable event with
well selected rich scientific agenda and superb
social programs.

You are cordially invited to come and enjoy
our hospitality and enrich this important event.

Please put this on your diaries.

We look forwards to meeting you in Khartoum.
